CANNABIS, SENSES, AND SENSUALITY

by Elana Cydney Vollen

A Tantalizing Tickle...A Sensuous ripple...A succulent savoring... There is much to be said about how different cannabinoids affect your senses.

THC is the obvious stand-out here, as part of its perception-shifting profile is how intensely it can affect the senses.

There tends to be an enhancement of nearly every sense door with the

ingestion of THC; the most infamous example being the impetus behind the marijuana 'munchies' – reasonable-tasting food can taste soooo much better with the activation of THC behind it, and fine cuisine can taste, well, out-of-this-world good. This clearly has both its benefits and

~Our Mission~

We at Synergy Wellness are continually exploring ways of offering our members the finest possible medicinal cannabis products. We make every effort to not only use sustainable, organically grown ingredients but support local growers and minimize transportation impact.

Continuing as a membership-based collective, Synergy Wellness is committed to the medical aspects of the industry. Members need to have a medical recommendation for cannabis from a physician and proof of California residency. We appreciate your interest in our products and look forward to expanding the health of our planet together.

~Our Affiliated Partners~

Medical Cannabis Research Consortium of Marin (MCRCM)

Five long-term Marin County residents are making Marin County the national research center for vertically integrated medical cannabis research...
